

STORMWATER RETENTION SYSTEM

LARGE BORE UPVC PIPE AND FITTINGS

STORMWATER RETENTION SYSTEM

GREENHOUSE DEVELOPMENT

SOUTH AUCKLAND

THE PROBLEM

Large bore products not readily available, and in quantity required

THE SOLUTION

Large bore uPVC pipe and fittings supplied on the same day order was made

"Aquafit is the only place that have all the large diameter products you need in stock, ready to go. Fantastic service – we ordered and it was all delivered tidily out to site, in full, and on the same day."
