

## WATER PROJECTS

### SLOTTED PIPES

## CUSTOM SLOTTED PIPE

### WASTEWATER TREATMENT PLANT

HOKIANGA HARBOUR

## THE PROBLEM

Slotted pipe to be used for  
collectors in the bottom of the  
filter

## THE SOLUTION

Slotting pattern on 100mm  
wastewater SN6 uPVC pipe

**"AquaFit's service is outstanding, it's their main selling point, pricing is good but others will shop around and match pricing but no one's service comes close to matching AquaFit's. We routinely recommend AquaFit to other contractors they work with."**
